KOUSHIK PUPPALA

CSE Engineering

PROFILE

I'm a student of the CSE Department, and currently, we are under our mentor institute IIT Hyderabad. I always try to learn things through practical implementation along with deep theoretical knowledge. At present, I'm trying to learn things from IITH activities. I am also the Web Development Member at IIIT Raichur and Training and Placement Cell, IIIT Raichur. I have working experience with C, Object-Oriented Programming in C++ and JavaScript, HTML and CSS, Bootstrap, Jekyll, React Js, Express, MongoDB and several more Open Source Libraries like AOS, Particle Js, Owl Carousel. I have earned some skill badges you can see them on LinkedIn and you can see my Some open projects in GitHub
